The Sustainable Packaging Coalition is a membership-based collaborative that believes in the power of industry to make packaging more sustainable. As the leading voice on sustainable packaging, we are passionate about creating packaging that is good for people and good for the environment.

Secure your seat at the table.

WHAT ARE YOU WAITING FOR? **BENEFITS OF SPC MEMBERSHIP**

The SPC Events are the convening place for thought leaders, value chain stakeholders and companies interested in education, collaboration and taking action in sustainable packaging.

MEMBERSHIP BASE

The SPC membership includes hundreds of companies in the marketplace and represents diverse perspectives across the packaging supply chain, including:

Brands, Retailers, Packaging Converters, **Material Suppliers, Government** Agencies, Academic Institutions, Consultants, Waste Management & **Recovery Companies**

Projects GreenBlue

Collaboratives are how SPC member companies work together to understand key challenges, determine industry best practices, and pilot solutions to the most pressing design, material, and infrastructure problems.

The shared goal of all SPC Collaboratives is to help guide SPC members and the industry in navigating and addressing sustainable packaging challenges and identifying opportunities.

We've been leading collaborative

working groups for over 15 years.
